The PSWSFA is a family-oriented fishing club established in 1957. Our meetings are held on the 3rd Tuesday of each month (March-Dec.) at 7:00pm. We meet at the Plumbers & Steamfitters Local Union 540, 7812 Warwick Boulevard, Newport News, VA 23607. The meetings are free and open to the public. Our meetings are a great place to swap stories with other local fishermen, find new fishing partners and plan trips together. We have raffles with nice giveaways-donated by local businesses. Each month we have speakers sharing their experience on one of the local fisheries. Come join us and get to know some of the other fishermen in your local area. Directions can be found at [www.pswsfa.com/meetings.htm](http://www.pswsfa.com/meetings.htm).

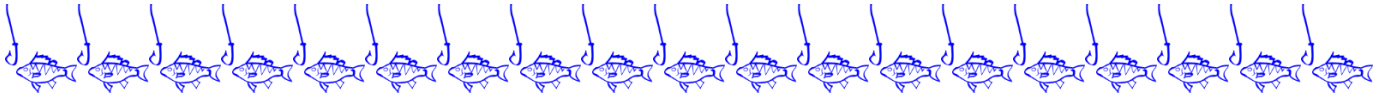

Speaker for the March 19th meeting will be Charles Southall. He will be sharing his knowledge on local red drum fishing. Charles has been fishing the Chesapeake Bay and offshore waters since he was a child. One of his favorite times of year is in the spring when the big bull reds show up in our local waters. Come join us this Tuesday at 7pm for the first meeting of the 2019 fishing season.

As we eagerly look forward to spring, what better way to get ready for fishing season than checking out the Virginia Game Fish Tagging Program's (VGFTP) mobile ready platforms? Now, anglers who catch a tagged fish can easily enter their tagged fish's information such as number, species, date, location, length, and even choose their recapture reward.

Anglers can keep their eyes out for VGFTP target species such as black drum, black sea bass, cobia, grey triggerfish, red drum, spadefish, sheepshead, speckled trout, summer flounder and tautog.

For more information about the Virginia Game Fish Tagging Program visit: [www.vims.edu/vgftp/](http://www.vims.edu/vgftp/) and to report a tagged fish use:
